Greater New Bedford

a division of The Arc of Bristol County

Since 1959, The Arc of Greater New Bedford has been serving individuals with intellectual and developmental disabilities and their families. Started as other chapters of The Arc by families who sought an alternative to institutionalizing their loved ones with disabilities, The Arc of Greater New Bedford is among over 600 chapters of The Arc of the United States and is the leading authority on advocacy and services for people with intellectual and developmental disabilities.

The Arc of Greater New Bedford, a division of The Arc of Bristol County, provides Education Advocacy, Adult Family Care and Social Recreation Activities for individuals and families throughout the greater New Bedford area. The Arc of Bristol County serves over 2,600 individuals with intellectual and developmental disabilities and their families.
